Description: Have you wondered what a truly exceptional SEI classroom really looks like? Take a tour of an SEI room that has consistently accelerated students' English language learning and see how it reflects key research concepts.

Outcomes: Participants in this session will see:

1. Clear examples of language accelerating methodologies;
2. How fewer methods done better serve to accelerate English language learning;
3. Why language mediation—not language modeling—is the key to moving students more rapidly than we thought possible.

AGENDA

- I. An Applied-Research Walk Around the Room
- II. The Power of a Few Methods Well Done
- III. Why mediation—not modeling—is the key to accelerating language development

I. Your Guided Tour

Method	Purpose	Research
--------	---------	----------

II. The Synergy of Fewer Compounding Methods

III. *Now for the big finale...* Less Modeling and More Mediating= Accelerated Language Development
